

Accessibility Policy

We want all our users to be able to access and use our site at commonsensing.gov.fj and they have been designed with the Web Content Accessibility Guidelines 2.0 in mind. We make every effort to comply with these guidelines including the use of specialist software to test our sites and help us measure how we are doing. We are always looking for ways to improve and we value your feedback.

If you have any feedback to help us improve the accessibility of our site, please email us at info@commonsensing.gov.fj.

Design Standards

Here are some of the features we have included to help you access and use our sites:

- plain language with explanations of any technical terms
- clear text for web links
- easy-to-read font
- alt tags on static images representing content to tell you what they represent
- consistent navigation
- TAB key navigation for forms

How to change Text Size

Chrome - the easiest way is to access the zoom options on the Menu button on the toolbar and select the desired 'Zoom' option.

Microsoft Edge - the easiest way is to access the zoom options from the Settings menu on the toolbar and select the desired 'Zoom' option.
